Incorporating all the features of the larger model, the Petite Studio presents an opportunity for more people to experience the Theorem difference. This space-saving dual motor Power Lift Recliner delivers a relaxation experience that's second to none.

Benefiting from an independent headrest, footrest extension, and power lumbar support, the Petite Studio is available in three distinctive colour options.

- Independent headrest
- Compact design
- Power lumbar support
- Footrest extension
- Choose from three colours
- USB-compatible hand control
